BIRDS OF PREY premieres this Saturday, exclusively on HBO

Starring Margot Robbie, the films brings together a cast of talented women including Jurnee Smollett, Mary Elizabeth Winstead, Rosie Perez and Elle Jae Basco.

MIAMI, FL., October 23, 2020 – HBO continues to expand its offering of the best from the DC Comic world with the exclusive premiere of **BIRDS OF PREY** this Saturday, October 24 at XXhs on HBO and HBO GO. Times per country visit Hbocaribbean.com

Directed by Cathy Yan, **BIRDS OF PREY** follows Harley Quinn after the Joker breaks up with her and she finds herself unprotected against Gotham City's crime lord, the Black Mask and his goons. The playing field is soon leveled after Harley unexpectedly joins forces with three other women – Black Canary, The Huntress and Renee Montoya – in order to save Cassandra Cain, a young girl in danger for being in possession of a diamond that belongs to the Black Mask.

BIRDS OF PREY is the eighth film in DC's Extended Universe. This title and many more of DC's top productions, including **DOOM PATROL**, **SWAMP THING**, **JOKER**, **AQUAMAN**, **SHAZAM!** and **WATCHMEN**, can be enjoyed only on HBO and HBO GO.
