“SPACE JAM: A NEW LEGACY” and other exciting stories for never-ending family fun

The premiere of “SPACE JAM: A NEW LEGACY” on HBO Max has been the perfect excuse for the entire family to binge watch some of the most fun-filled and hilariously entertaining programs starring their favorite characters available on HBO Max.The new film SPACE JAM: A NEW LEGACY brings together NBA superstar LeBron James and his son Dom, who after being trapped in a digital space created by a rogue AI, must do everything possible in order to get home, while at the same time leading the entire Looney Tunes gang to victory on the basketball court. There, the Tunes face the Goons in the most important challenge of their lives that will redefine LeBron's bond with his son and show him the power of being oneself. Ready for action, the Tunes smash conventions, bring forth their unique talents, and surprise even "King" James by playing the game their way.Along with this story, on HBO Max there are a variety of adventure-filled titles for children and adults to share unforgettable moments. Connect and enjoy the crazy adventures of Bugs Bunny, the most famous animated rabbit in the world with his intelligence, his style and his thousands of jokes; Scooby Doo, a unique dog who accompanies his friends to solve all kinds of mysteries; The Teen Titans, a group of teenagers with superpowers willing to fight against the fiercest villains; and many other stories and characters in:TOM AND JERRYOne of the most beloved rivalries in history continues, when Jerry moves into one of the best hotels in New York City, which will host the wedding of the century in just a few days. In her desperation, the organizer of the large event turns to Tom to get rid of Jerry. The clash between cat and mouse threatens to destroy the organizer's career, the wedding, and possibly the entire hotel. But suddenly, an even bigger problem arises: an ambitious and evil employee who conspires against the three protagonists. Tom and Jerry's new adventure is a modern mix of classic animation and live characters, a challenge where both will be forced to do the unthinkable ... work together to save the day.THE FLINSTONESEnjoy all the seasons and join in the fun in the town of Bedrock with the goings-on of this incredibly famous Stone Age family, where Fred, Wilma and Pebbles, together with their pet Dino and their friends, the Rubbles – Barnie, Betty and Bam-Bam - amuse us and entertain us with the wild things that take place in their daily lives.LOONEY TUNES: BACK IN ACTIONEvery man for himself! The fate of humanity rests in the hands of Bugs Bunny and Daffy Duck. They've teamed up to create hilarious mayhem in this fast-paced family adventure that combines cartoons with real actors like Brendan Fraser, Jenna Elfman, Steve Martin and many more. Join your favorite characters as they try to find the “Blue Monkey” diamond in order to prevent the ACME Corporation from taking over the world.SCOOBY-DOO! WRESTLEMANIA MYSTERYWhen Shaggy and Scooby win tickets to WrestleMania, the entire group travels in the Mystery Machine to WWE City to attend the epic event. However, when a mysterious ghostly bear appears and threatens to ruin the show, Scooby, Shaggy, Velma, Daphne, and Fred work with WWE Superstars to solve the case.TEEN TITANS GO! SEE SPACE JAMThe Teen Titans are visited by the Nerdlucks, the Space Jam villains who tried to capture Michael Jordan and the Looney Tunes. Astonished to discover his fellow Titans have never seen Space Jam, Cyborg organizes an exclusive watch party. Of course, if the Titans are watching a movie, don’t expect silence to be golden. Raven and Starfire provide the commentary, Cyborg presents the fun facts, Beast Boy points out the butt shots and Robin…well Robin doesn’t trust their new alien friends. Are the Nerdlucks here to attend an innocent watch party or do they have more sinister motives up their sleeves?
