Rick and Morty is the Emmy® award-award-winning half-hour animated hit comedy series on Adult Swim that follows a sociopathic genius scientist who drags his inherently timid grandson

on insanely dangerous adventures across the universe. Rick Sanchez is living with his daughter Beth’s family and constantly bringing her, his son-in-law Jerry, granddaughter Summer, and grandson Morty into intergalactic escapades.

It’s season six and Rick and Morty are back! Pick up where we left them, worse for wear and down on their luck. Will they manage to bounce back for more adventures? Or will they get swept up in an ocean of piss! Who knows?! Piss! Family! Intrigue! A bunch of dinosaurs! More piss! Another can't miss season of your favorite show.

Rick and Morty stars Justin Roiland (Solar Opposites), Sarah Chalke (Scrubs), Chris Parnell (Saturday Night Live), and Spencer Grammer (Greek). The series is created by Dan Harmon (Community) and Roiland, who also serve as executive producers.
