BIG LITTLE LIES second season first images

Created by David E. Kelley, teleplays by David E. Kelley and story by Kelley and Liane Moriarty, and based on the novel by #1 New York Times bestselling author Liane Moriarty, **BIG LITTLE LIES** returns for its seven-episode second season in June, exclusively on HBO. The new season explores the malignancy of lies, the durability of friendships, the fragility of marriage and, of course, the vicious ferocity of sound parenting. Relationships will fray, loyalties will erode…and the potential for emotional and bodily injury shall loom.

With all seven episodes directed and executive produced by Andrea Arnold (“Red Road,” “Fish Tank,” “Wuthering Heights,” “American Honey”; Oscar® winner for “Wasp”), **BIG LITTLE LIES** features teleplays by David E. Kelley (“Goliath,” “Mr. Mercedes”; 11-time Emmy® winner for “Picket Fences,” “LA Law,” “The Practice,“ “Ally McBeal” and “Big Little Lies”).
